News from the Classes

KS1 have been creating pictures outside in the snow which was great fun. We have also been responding to a BBC News Appeal to make mittens for koala bears in Australia (they burnt their paws clinging to burning trees)

Please could parents continue to keep boxes and yoghurt pots for model making as children love this area of the classroom and we use lots of boxes! Also, please remember that children need warm outdoor clothing for Forest School activities **every Wednesday**.

Volunteer in the infant class

Miss Hoggarth is helping out in the infants as part of her course at Middlesbrough College. She will work in the class every Monday for the foreseeable future, until she completes her course.

KS2 have been looking at the explanation text type, and what they need to put into the writing to have good explanations. Numeracy has been about place value. The chocolate project is underway – the tasting and product analysis was appreciated by all!

List of Dates to Easter

Please find on the reverse a preliminary list of dates up to Easter, which will be subject to change.

Sewing/Patchwork Club

Weather permitting etc, Mrs Wilson will re-start Sewing/Patchwork Club on Tuesday, 27th January
On Saturday 24th, she is running a sewing workshop at Westerdale when those with new sewing machines can come along to get started

Next Week

Tomorrow	Coffee Morning for Easter Party Fund, Village Hall, 10am to 12 noon
Tuesday	Year 6 Booster Class
Wednesday	NO Netball Club Maths Club at Sleights School, 3.45pm to 4.45pm (interested KS2 pupils have already attended a club at St Hedda's in December)
Friday	Craft Club
Saturday	Sewing Workshop, Westerdale Village Hall
