News from the Classes

KS1 had an exciting time watching Punch and Judy, then doing their own play with puppets that they had made. The puppets had papier mache heads.

On Wednesday, we went with years 3 and 4 to Danby Village Hall to a concert by Botton School. We listened to the orchestra and some four part singing which sounded beautiful. We were inspired by children playing instruments such as violins and woodwind.

KS2: On Thursday we joined with KS1 for an Art Day. We did collage, painting and portrait work which will be exhibited at Danby and Castleton Shows.

It has definitely been quieter without years 5 and 6 who have been at Peat Rigg! We have thought about them when we've seen the rainstorms.

Years 3 and 4 concentrated really hard at the beginning of the week on their assessments. As a treat, they then had a tomb to excavate. They are now experts in archaeology and the treasures you can find.
