

# **The Primary** PE and sport premium

Planning, reporting and evaluating website tool

**Updated September 2023** 

**Commissioned by** 

Department for Education

**Created by** 

This template can be used for multiple purposes:

 It enables schools to effectively plan their use of the Primary PE and sport premium

 It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium

 It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated <a href="Primary PE">Primary PE</a> and sport premium guidance.

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.** 

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

#### Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
PE lessons across the school delivered by a HLTA PE specialist or by relevant coach such as Hannah Verity (Dance) or Chance to Shine cricket coach.	Broad, balanced and enriched PE curriculum delivered to all children allowing for progress across all PE disciplines.	Continue to use HLTA PE specialist (now TIC and KS2 teacher) instead of funding outside coaches if suitable.
A broader range of high-quality equipment and resources were purchased to enhance PE lessons and extra-curricular provision.	Children able to use fit for purpose equipment and equipment that allows greater progress in certain disciplines for example purchase of SportsHall Athletic equipment.	Ensure all purchased equipment is of high quality and fit for purpose. Current equipment should be stored and inspected regularly to ensure it is safe to use.
Maintenance of play surfaces and areas.	Maintaining the new playground surface has ensured it is safe and fit for purpose. Children's activity levels have increased at playtimes and during PE lessons. We were able to access the cricket field for example	Ensure maintenance of these areas is kept up to date.

	during invasion game lessons and for Sports Day. A greater range of sports can be delivered safely for children to enjoy.	
Weekly sports club with a greater choice of sports delivered due to the new surface.	Children have the opportunity to experience a greater range of sports. More children now access after-school sports club.	Continue to provide a weekly sports club catering to the differing needs and interests of the children.
Sports Mark completed and Bronze achieved.	Allowed the school and staff to analyse where improvements can be made, and which actions are not embedded.	Ensure actions begin to move from implemented to embedded. Target set of achieving Silver next year. Continued collaboration with local sporting venues, coaches and schemes.
Swimming provision for whole school not just KS2.	Water confidence and swimming proficiency increased across the school.	Continue to take all key stages swimming.
Regular attendance at local school sports competitions for children from Year 1 to Year 6.	Children's confidence levels in competing against others in many sports improved. Sportsman's etiquette and children's understanding of fair play developed.	Improve opportunities for EYFS children to participate in local sports competitions. Continue with regular attendance to sports competitions.
Pro Cycling training accessed by HLTA PE specialist.	High quality biking lessons were provided using an external company therefore training accessed by HLTA PE specialist was not utilized.	Create a block of Biking lessons within PE lessons for all children to access.
1	Transport and sessions provided for	

especially those with physical, sensory and gross	children with SEND to visit Senses (Skelton)	children. Also attendance to suitable
motor needs.	to better meet their physical and sensory	competitive activities such as Multiskills.
	needs, allowing greater activity during the	
	week and access to quality resources to	
	help develop their fundamental gross and	
	fine motor skills for SEND children.	

## **Key priorities and Planning**

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Provide suitable SOW's and lessons plans for a variety of sports taught across the year. These will be shared on COGL sharepoint.  Provide guidance/support to staff where required.	TiC PE Specialist – to create documents and share, provide support/guidance if required.  Teachers and support staff if they choose to use SOW's and LP's or access support/guidance.	Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport	Confidence and knowledge in a variety of sports improved across the staff body. PE specialist to use planning days to create and develop SOW's and LP's for the next terms' PE focus.	£7500 - appointment of specialist staff  £400 – staffing cover to dedicate time to creation of SoW from specialists.
Increased activity and competition for children with SEND, especially those with physical, sensory and gross motor needs.	SEND children.  Teachers and support staff		SEND children's exposure to different activities and competition increased.	
Improve playtime offer for Acorns and Oaks through improved equipment and play leaders.	Lunchtime supervisors / teaching staff and play leaders.  Pupils – as they will take part.	Key indicator 2: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.	New Play equipment to be purchased – £94.99

### Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Provide suitable SOW's and lessons plans for a variety of sports taught across the year. These will be shared on COGL sharepoint.  Provide guidance/support to staff where required.	Confidence and knowledge in a variety of sports improved across the staff body at Castleton.	Regular check-ins with staff teaching the PE curriculum have occurred and will continue to ensure a high-quality PE curriculum is delivered.
Increased activity and competition for children with SEND, especially those with physical, sensory and gross motor needs.	SEND children's exposure to different activities and competition increased.	Children with SEND continue to be fully involved in PE lessons, SENSES and forest school sessions. Access to Multiskills and Quad Kids events to continue to allow for further development in their physical, social and gross motor needs.
Improve playtime offer for Acorns and Oaks through improved equipment and play leaders. Play leaders to be developed further in Year 6 to support children in EYFS, KS1 and KS2. Development of equipment on offer to the children during play time and PE lessons.	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities Younger children will have the opportunity to develop their physical literacy in structured activities at play time. Older children will have the opportunity to develop their communication and leadership skills in a practical activity. Play leaders will have 'training' throughout the year to develop their leadership. Children have access to high quality equipment to further develop their physical literacy. This equipment is fit for purpose and also allows for an increase in confidence in staff knowing that the equipment is suitable.	Children in Acorns, thoroughly enjoy their new play equipment, the purchase of this equipment has allowed the children to increase their activity levels and also allowed for younger sports leaders to emerge. The use of Y6 play leaders has allowed for confidence and communications skills to be developed in these children as well as focused activities being delivered during play times. A new training programme will be created in September to aid the new Year 6's with this role.

After school clubs are free of charge to ensure children can access any clubs they wish and do not miss out due to cost.

After school clubs will continue to be free allowing for greater access providing a variety of sports to children.

Both of these experiences will continue next year.

The range of after-school clubs and trips are wide and varied to give the children a range of experiences.

Children in Year 3 & 4 participated in a residential trip and Year 5 & 6 participated in a climbing trip. Both these experiences allowed the children to develop their communication and problem-solving skills as well as being exposed to activities outside of the regular PE curriculum. As well as this, children reap the benefits of regular forest school sessions.

Unfortunately, due to being fully booked the children were not able to partake in the 'Chance to Shine' programme. TIC however has booked in the coach for the whole school to experience the programme in the Autumn Term.

These sessions to continue next year.

Swimming lessons for whole school in ten-week block starting April 24

The whole school went swimming in the summer term including EYFS and our children with SEND. These sessions were extremely impactful, developing more confident swimmers and allowing the children to deepen their knowledge on water safety.

Both events to continue next year.

School to host annual sports day in accordance with School Games. This runs in the summer term and all children are involved.

Develop intra-school competitions within COGL

A successful sports day was run in the summer term, thus allowing the children to compete in their houses and also against other children in their key stage and year group. As well as this, the school participated in an 'Olympics' where the whole school competed against children from three other schools in the trust.

Attendance at these events was markedly

Continuation of this attendance next year.

To attend the majority of local sports competitions to

 increased, exposing the children to the opportunity of competition against other schools in a variety of sports.	
Children and staff are proud of the efforts made by all to achieve this mark. Continuation into next academic year to ensure this is achieved again.	

#### **Swimming Data**

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Question	Stats:	Further context Relative to local challenges
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	December 23 – 66%	Swimming is booked for a 10 week block starting in the summer term. Therefore, only the children who managed it last year are currently capable of swimming 25m confidently.
	May 24 - 66%	
	July 24 – 88%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	December 23 – 88%	Most children can effectively use a range of strokes, however, some need to work on the stamina to swim 25m.
	May 24 - 88%	
	July 24 – 100%	

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	December 23 - 66%  May 24 - 66%  July 24 – 88%	Swimming is booked for a 10 week block starting in the summer term. Therefore, only the children who managed it last year are currently capable of safe self-rescue.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/ <mark>No</mark>	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/ <mark>No</mark>	One member of staff is already a qualified swimming teachers. NW delivers sessions to one of the four swimming groups and the other groups are taught by a swimming teacher from the Leisure Centre provider.
