

Sports Premium Funding 2020-21

Castleton Primary School

Allocation: £16460 (£16000 + £10 pp)

Action	Impact	Estimated Costs	Sustainability
Specialist coaches/teachers to deliver sessions alongside staff.	Children have access to specialist teaching.	£3600	Through observing and supporting in specialist sessions, school staff develop their own knowledge and skills and are able to provide lessons in these areas in future, if the specialist provision was to cease.
Village hall hire on a weekly basis to enable better provision (limited space in school).	Staff are upskilled through working alongside/observing sessions.	£800	
PE/Sports subject leader to monitor and encourage pupil attendance at competitive events.	All children, including those in key groups (PP, SEND) have the opportunity to participate in inter- or intra-school competitions, including digital competitions, where appropriate.	Membership of School Sports Partnership. £1500 Transport costs £2500 Staff release to support attendance £2000	Children's engagement and success in sporting events increases motivation, leading to repeat involvement. Monitoring by subject leader highlights any pupil groups which are underrepresented and action is taken to address this.
Broaden opportunities for children to try less-familiar sporting activities, through purchase of equipment and familiarisation of staff and (where appropriate) sports leaders in its use.	Children are able to access different sporting activities, eg archery, ultimate frisbee.	£1500	Staff and sports leaders are able to support use of equipment following training.
Forest school provision available within and beyond the local area. Staff to be trained in delivering forest school provision.	Children's resilience and confidence are developed. Children regularly access their local outdoor environment and progress within the '50 skills' framework.	£4000	Training is local to the school, rather than centralised, ensuring staff can deliver forest school provision to their own class rather than relying on specialist support.

<p>Resources to support local forest school provision are purchased and stored appropriately.</p> <p>Transport to and from wider community, as required, enabling links with other local schools.</p>			<p>Children have access to a range of forest school equipment in their own school, rather than relying on central resource banks shared between schools.</p>
<p>Provide further outdoor adventurous education opportunities (eg East Barnby, Scaling Dam, beach schools/surfing, cycling hub)</p>	<p>Children have the opportunity to explore and learn within the local environment.</p> <p>Children develop resilience and life skills, including water safety.</p> <p>Children are able to build on existing skills and interests (eg cycling).</p>	<p>Costs of visits/instructors plus any transport costs, less parental donation (as appropriate).</p> <p>£2000</p>	<p>If the funding ended, we would need to find alternative funding streams and/or increase parental contributions to enable these activities to continue.</p>
