

**Sports Premium Funding 2021-22**

**Castleton Primary School**

**Allocation: £16480 (£16000 + £10 pp)**

<b>Action</b>	<b>Impact</b>	<b>Estimated Costs</b>	<b>Sustainability</b>
Specialist dance teacher to deliver sessions alongside staff.	Children have access to specialist teaching.	£500	Through observing and supporting in specialist sessions, school staff develop their own knowledge and skills and are able to provide lessons in these areas in future, if the specialist provision was to cease.  PE provision can continue effectively during inclement weather.
Village hall hire on a weekly basis to enable better provision (limited space in school).	Staff are upskilled through working alongside/observing sessions.	£850	
New PE/Sports subject leader to monitor and encourage pupil attendance at competitive events.	All children, including those in key groups (PP, SEND) have the opportunity to participate in inter- or intra-school competitions.  Pupils will also have opportunity to learn/compete alongside/against pupils from other schools within the Trust, developing their social skills, which will support eventual transition to secondary.	Membership of School Sports Partnership. £1800  Transport costs £2500  Staff release to support attendance £2000	Children's engagement and success in sporting events increases motivation, leading to repeat involvement.  Monitoring by subject leader highlights any pupil groups which are underrepresented and action is taken to address this.  Developing links between PE subject leaders across the Trust will lead to improved and sustainable cross-Trust activity.
Broaden opportunities for children to try less-familiar sporting activities, through purchase of	Children are able to access different sporting activities.	£1500	Staff and sports leaders are able to support use of equipment following training.

<p>equipment and familiarisation of staff and (where appropriate) sports leaders in its use.</p>			
<p>Forest school provision available within and beyond the local area. New site to be sourced for 2021/22.</p> <p>Staff to receive higher level training in delivering forest school provision (eg fire and blades).</p> <p>Additional resources to support local forest school provision are purchased and stored appropriately.</p> <p>Transport to and from wider community, as required, enabling links with other local schools.</p>	<p>Children’s resilience and confidence are developed.</p> <p>Staff confidence in leading and delivering higher level activities, including staff who are new to school, is increased.</p> <p>Children regularly access their local outdoor environment and progress within the ‘50 skills’ framework.</p>	<p>£3000</p>	<p>New staff joining the school receive adequate training to ensure sustainability if there are future staff changes.</p> <p>Children have access to a range of forest school equipment in their own school, rather than relying on central resource banks shared between schools.</p>
<p>Provide further outdoor adventurous education opportunities (eg East Barnby, Scaling Dam, beach schools/surfing, cycling hub), including accessing cross-Trust provision (eg beach schools at West Cliff, moors school at Glaisdale and river school at Lealholm.</p>	<p>Children have the opportunity to explore and learn within the local environment.</p> <p>Children develop resilience and life skills, including water safety.</p> <p>Children are able to build on existing skills and interests.</p> <p>Children have the opportunity to access provision across the Trust.</p> <p>Children develop leadership and social skills through delivering forest school sessions to visiting pupils from other Trust schools.</p>	<p>Costs of visits/instructors plus any transport costs, less parental donation (as appropriate).</p> <p>£4500</p>	<p>If the funding ended, we would need to find alternative funding streams and/or increase parental contributions to enable these activities to continue.</p>
