

Castleton & Glaisdale Primary Schools

Sports Premium Funding Report

Physical education is valued at Castleton & Glaisdale Primary Schools and is an important part of our curriculum. We believe it enables children to grow in confidence, build self-esteem and self-reliance, and develop social skills.

What is Sports Premium Funding?

In 2013 the Government provided an additional £150 million to schools per annum to improve provision of physical education (PE) and sport in primary schools. This funding, provided jointly by the Departments for Education, Health and Culture, Media and Sport, is allocated to primary school head teachers. The funding is ring-fenced and can only be spent on the provision of PE and sport in schools.

Castleton & Glaisdale Primary receives approximately £16,000 per year for each school.

Purpose of Funding

Schools must spend the additional funding on improving their provision of PE and sport, but have freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.
- Supporting and engaging the least active children through new and additional clubs.
- Paying for professional development opportunities for teachers in PE and sport.
- Providing cover to release primary teachers for professional development in PE and sport.
- Running sports competitions, or increasing pupils' participation in the school games.
- Buying quality assured professional development modules or materials for PE and sport.
- Providing places for pupils on after school sports clubs and holiday clubs.
- Pooling the additional funding with that of other local schools.

Accountability

Since September 2013, schools are held to account for how they spend their additional, ring-fenced funding. Ofsted strengthened the coverage of PE and sport within the Inspectors' handbook and guidance so that both schools and inspectors know how sport and PE will be assessed as part of the school's overall provision.

Schools are required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Sports funding for 2018/19 is: £16,000 (Castleton), £16,000 (Glaisdale)		Impact
Coaching (Including PE co-ordinator, specialist instructors, dance events and after school clubs)	£8000	High class instructors giving children a range of skills CPD for staff as they learn from highly skilled coaches
Additional Staffing to support clubs TA support so that PE co- ordinator is not the only member of staff with the clubs or around the site.	£600	Safety at the clubs so they are able to run effectively
Forest Schools Forest Schools teacher – 0.2 per week Additional staffing to ensure ratios are accurate – 0.2 per week	£13,000 £4,000	Team building and resilience developed. All children able to access learning outside the classroom Confidence building Increased awareness of the local area
Equipment (Including sports equipment and team uniform)	£2000	Uniform allows children to take part with equality Sense of team Wide range of equipment to allow more skills to be taught
Transport (Buses and coaches to and from sporting events and competitions)	£3000	Due to rural nature of the schools, access to events is less challenging as transport is accessible and more children are therefore able to attend the events
School Trips	£2000	Enrichment of the curriculum. Allows children to learn about life outside their geographical area
Total	£32,600	Both schools allocated equal funding so as to ensure children receive the same experiences.
