<p>Specialist dance teacher to deliver sessions alongside staff.</p> <p>Village hall hire on a weekly basis to enable better provision (limited space in school).</p>	<p>Children have access to specialist teaching.</p> <p>Staff are upskilled through working alongside/observing sessions.</p>	<p>£500</p> <p>£850</p>	<p>Through observing and supporting in specialist sessions, school staff develop their own knowledge and skills and are able to provide lessons in these areas in future, if the specialist provision was to cease.</p> <p>PE provision can continue effectively during inclement weather.</p>	<p>The village hall provided a space for dance, gymnastics, small ball skills and team games which was flat, warm and dry. Its use allowed the P.E. programme to continue in periods of inclement weather.</p> <p>The specialist dance teacher delivered quality whole-group sessions focusing on skills and routines. Staff were upskilled by watching and supporting.</p>
<p>New PE/Sports subject leader to monitor and encourage pupil attendance at competitive events.</p>	<p>All children, including those in key groups (PP, SEND) have the opportunity to participate in inter- or intra-school competitions.</p> <p>Pupils will also have opportunity to learn/compete alongside/against pupils from other schools within the Trust, developing their</p>	<p>Membership of School Sports Partnership. £1800</p> <p>Transport costs £2500</p> <p>Staff release to support attendance £2000</p>	<p>Children's engagement and success in sporting events increases motivation, leading to repeat involvement.</p> <p>Monitoring by subject leader highlights any pupil groups which are underrepresented and action is taken to address this.</p>	<p>All pupils in KS2 and KS1 took part in competitive events against other schools.</p> <p>Many children took part in multiple events across all three terms. For some pupils, this was their first experience of competition.</p>

	social skills, which will support eventual transition to secondary.		Developing links between PE subject leaders across the Trust will lead to improved and sustainable cross-Trust activity.	All pupil groups represented and pupils were motivated to compete on numerous occasions.
Broaden opportunities for children to try less-familiar sporting activities, through purchase of equipment and familiarisation of staff and (where appropriate) sports leaders in its use.	Children are able to access different sporting activities.	£1500	Staff and sports leaders are able to support use of equipment following training.	The opportunities for this were limited due to the impact of Covid and reduced staffing. This will need continuing into the next year.
<p>Forest school provision available within and beyond the local area. New site to be sourced for 2021/22.</p> <p>Staff to receive higher level training in delivering forest school provision (eg fire and blades).</p> <p>Additional resources to support local forest school provision are purchased and stored appropriately.</p> <p>Transport to and from wider community, as required,</p>	<p>Children's resilience and confidence are developed.</p> <p>Staff confidence in leading and delivering higher level activities, including staff who are new to school, is increased.</p> <p>Children regularly access their local outdoor environment and progress within the '50 skills' framework.</p>	£3000	<p>New staff joining the school receive adequate training to ensure sustainability if there are future staff changes.</p> <p>Children have access to a range of forest school equipment in their own school, rather than relying on central resource banks shared between schools.</p>	<p>New site sourced and used from summer 2022.</p> <p>Staff received fire and blades training, giving them the confidence and skills to lead sessions themselves.</p> <p>Forest school resources expanded on site. Forest school and outdoor learning equipment used on and off site to help children work towards the '50 skills' and oaths.</p>

enabling links with other local schools.				
Provide further outdoor adventurous education opportunities (eg East Barnby, Scaling Dam, beach schools/surfing, cycling hub), including accessing cross-Trust provision (eg beach schools at West Cliff, moors school at Glaisdale and river school at Lealholm.	Children have the opportunity to explore and learn within the local environment. Children develop resilience and life skills, including water safety. Children are able to build on existing skills and interests. Children have the opportunity to access provision across the Trust. Children develop leadership and social skills through delivering forest school sessions to visiting pupils from other Trust schools.	Costs of visits/instructors plus any transport costs, less parental donation (as appropriate). £4500	If the funding ended, we would need to find alternative funding streams and/or increase parental contributions to enable these activities to continue.	Year 3 and 4 went to Peat Rigg for a healthy living themed residential. Y6 went to Peat Rigg for an outdoor adventurous residential. The opportunities for this were limited due to the impact of Covid and reduced staffing. This will need continuing into the next year.
